CHAIRMAN'S REPORT

INTRODUCTION

Riskpool has now completed its nineteenth year since inception. At the height of its membership during the early 2000s there were 83 members (out of 86 councils). Claim notifications peaked in Fund Year 6 largely due to the leaky building 'epidemic' with 945 notifications received in just one year. Claim payouts in this past year have set new records with our highest non-leaky payment leaping to \$17.6 million. And the coming Fund Year, Fund Year 20, is expected to be Riskpool's last.

This does not mean that we are abandoning local government liability. We firmly believe that we are experts in this space and that there is plenty more that we can do for the sector in terms of securing the best price, the best coverage, and offering the best service. It just means that it is time for a change, time for something even better.

\$225 MILLION OF SAVINGS

It is well known that the insurance cycle operates in peaks and troughs, and at present the market is soft. This means that in general premiums are low and business is competitive. The competition in the market at present has certainly increased as commercial insurers move further into the local government liability space. This competition has unfortunately resulted in a downward trend in Riskpool membership.

The liability market is one of the more complex areas of insurance and as was predicted last year, contributions for Fund Year 19 increased slightly compared to the pricings for 2015-16. This was to be expected following the settlement of the Southland Stadium claim in late 2015 for \$17.6

million, a claim that highlighted the 'joint and several liability' issue. It also reflects a long history of high claims: in 19 years Riskpool has received \$129 million in contributions and calls, and expects to pay \$177 million in claims, of which \$166 million has already been paid.

Had Riskpool never existed, and on the rule of thumb that 50% of insurance premiums are used for non-claims costs, then \$177 million of claims would have cost Riskpool's members in insurance premiums \$354 million. Compared to the contributions and calls actually paid, that is a direct saving for the sector for just the Riskpool members of \$225 million.

CIVIC LIABILITY POOL

In March we held a joint Riskpool-LAPP Member meeting following SOLGM's Strategic Finance Forum. The main focus at the Riskpool meeting was to announce the development of Civic Liability Pool (CLP) as an alternate liability product for the future. CLP became available to councils starting from 30 June 2016. Its main difference to Riskpool is that it is structured so as not to require a provision for calls. This means that members can never have a liability beyond meeting the payments for their annual contributions.

CLP, like Riskpool, offers Professional Indemnity, Public Liability, Harbourmasters and Wreck Removal costs cover, but uses a modern wording. It, like Riskpool, will manage claims with the long-term good of the sector in mind and share the same reinsurance programme as is used by around 500 Australian councils, which allows CLP and Riskpool to provide an indemnity limit of \$200 million per council per year. We will also continue to provide our value-added services such as ad hoc risk management advice.

Since the Member meeting there has been a number of regional meetings with member and non-member councils throughout the country to promote and gain support for CLP. This increase in contact with all local authorities will remain a commitment for the future for so long as members want this.

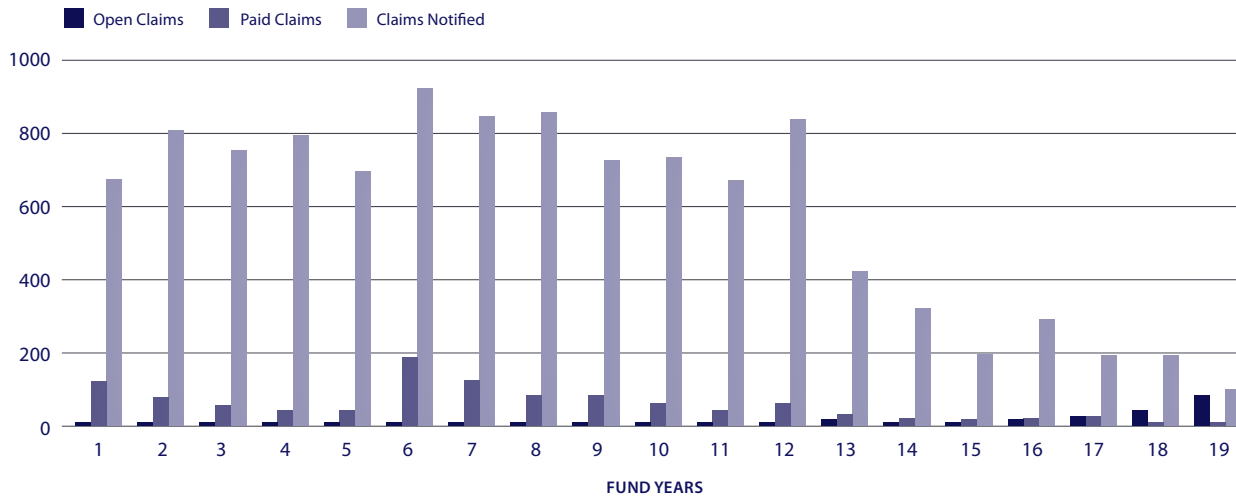

FINANCE

The current accounts for Fund Years 1-19 on page 11 show a deficit of \$2.96 million. This \$0.69 million increase since 2015 is primarily due to the significant decrease in Riskpool membership in Fund Year 19.

CLAIMS

There has been a further reduction in the number of total open claims, down from the 236 reported last year to just 175 this year. As shown by the diagram opposite, of the 175 open claims, 136 of them fall within Fund Years 16-19, all of which are fully reinsured.

Outstanding claims liabilities at 30 June 2016 stand at \$11.95 million, which is a \$17.87 million reduction since 30 June 2015 that is mostly due to the settlement of the Southland Stadium claim. At 30 June 2016 there were only 27 open leaky building claims. A sharp decline in notifications can be seen now that the worst of the leaky years is through. Unfortunately the recent Court of Appeal judgment of *Auckland Council v Weathertight Homes Tribunal & Ors (Oteha Valley)* has potentially opened the door for 'piggy back' leaky building claims which would have otherwise been defeated by legislative limitation provisions. We will be monitoring the outcome from this judgment closely.

The proceedings by Wellington City Council against the Fund which were served in 2014 are ongoing. The Board in the interests of Riskpool’s other members continues to decline this claim based on Queen’s Counsel advice.

DEVELOPING GOOD CASE LAW AND RISK MANAGEMENT

Without Riskpool to keep insurance premiums competitive and allowing for the good case law and risk management that Riskpool has developed, liability cover for councils would perhaps be three times more costly than what councils are paying today. However, we believe there has been a lot more to Riskpool than just saving money on the current year’s insurance costs. In the liability space, what happens to one council can affect all councils. The ‘*Invercargill to Auckland and Back*’ story illustrates this.

Developing good case law allows councils to have clarity over their duties and therefore to better manage their risks. Riskpool in particular has worked very hard to avoid bad precedents for the sector.

Invercargill to Auckland and Back

Case law on local authorities’ duty of care to ratepayers began with a house built in Invercargill in the early 1970s. Foundation defects were subsequently discovered and in 1996 the case of *Invercargill City Council v Hamlin* came before what was then New Zealand’s highest court – the UK’s Privy Council. The Privy Council found in the Hamlins’ favour, dismissing the Invercargill City Council’s argued position that they did not owe a duty of care to residential ratepayers.

By the late 2000s the leaky building ‘epidemic’ was very much in full force around the country with large amounts of litigation, particularly against councils given that they, unlike other potential parties to proceedings, do not have the ability to liquidate or simply disappear. This was a direct consequence of the Hamlin decision which established the duty of care owed to residential ratepayers. The Auckland Councils were the ones that suffered most from this.

Then, in 2012, the Auckland North Shore City Council case known as *Spencer on Byron* came before the Supreme Court who found that there was no reason why the duty of care should not extend to commercial premises. Readers will remember that heavy snow in 2010 had caused the roof of Invercargill’s Southland Stadium to collapse. Following the decision in *Spencer on Byron*, the trustees of the Stadium sued Invercargill City Council for signing off on a code of compliance certificate. This resulted in a payment of \$17.6 million by Riskpool’s reinsurers for the Invercargill City Council’s share of the liability.

MY APPRECIATION

I would like to extend the Board’s thanks to the Fund and Scheme Manager, the Claims Manager and the Scheme Solicitor. In particular I would like to thank Tim Sole, Roger Gyles, Caroline Bedford, Jane Brown and Paul Carpenter for their hard work over the past year.

I would also like to take this opportunity to acknowledge a change in role for David Heaney QC, who through Heaney & Co and more latterly Heaney & Partners, has worked with Riskpool since its inception in 1997. During the year David retired from Heaney & Partners to practice as a barrister sole, but will continue to be involved as required in the litigation of Riskpool and CLP claims.

INDEPENDENT AUDITOR'S REPORT

To the readers of New Zealand Mutual Liability Riskpool's Financial Statements for the year ended 30 June 2016

The Auditor-General is the auditor of New Zealand Mutual Liability Riskpool (the Scheme) comprising Fund No. 1 to Fund No. 19. The Auditor-General has appointed me, David Shadwell, using the staff and resources of Deloitte Limited, to carry out the audit of the financial statements of the Scheme on her behalf.

OPINION

We have audited the financial statements of the Scheme on pages 8 to 26, that comprise the balance sheet as at 30 June 2016, the statement of financial performance, statement of movements in net assets and cash flow statement for the year ended on that date and the notes to the financial statements that include accounting policies and other explanatory information.

In our opinion, the financial statements of the Scheme:

- present fairly, in all material respects:
 - its financial position as at 30 June 2016; and
 - its financial performance and cash flows for the year then ended; and
- comply with generally accepted accounting practice in New Zealand in accordance with Public Benefit Entity Standards with disclosure concessions.

Our audit was completed on 23 September 2016. This is the date at which our opinion is expressed.

The basis of our opinion is explained below. In addition, we outline the responsibilities of the Trustees and our responsibilities, and explain our independence.

EMPHASIS OF MATTERS - UNCERTAINTIES ASSOCIATED WITH THE OUTSTANDING CLAIMS PROVISION AND REINSURANCE RECEIVABLES

Without modifying our opinion, we draw your attention to Note 6 to the financial statements. The note describes the variables that may affect the outstanding claims provision and related reinsurance receivables. The note also describes the inherent uncertainties involved in estimating those amounts using actuarial assumptions, including in relation to leaky building claims which are subject to a high degree of uncertainty. The valuation of the reinsurance receivables is subject to similar uncertainties as the valuation of the outstanding claims liability.

We consider the disclosures about the above matters to be adequate.

BASIS OF OPINION

We carried out our audit in accordance with the Auditor-General's Auditing Standards, which incorporate the International Standards on Auditing (New Zealand). Those standards require that we comply with ethical requirements and plan and carry out our audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

Material misstatements are differences or omissions of amounts and disclosures that, in our judgement, are likely to influence readers' overall understanding of the financial statements. If we had found material misstatements that were not corrected, we would have referred to them in our opinion.

An audit involves carrying out procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgement, including our assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the preparation of the Scheme's financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.

An audit also involves evaluating:

- the appropriateness of accounting policies used and whether they have been consistently applied;
- the reasonableness of the significant accounting estimates and judgements made by the Trustees;
- the adequacy of the disclosures in the financial statements; and
- the overall presentation of the financial statements.

We did not examine every transaction, nor do we guarantee complete accuracy of the financial statements. Also, we did not evaluate the security and controls over the electronic publication of the financial statements.

We believe we have obtained sufficient and appropriate audit evidence to provide a basis for our audit opinion.

RESPONSIBILITIES OF THE TRUSTEES

The Trustees are responsible for the preparation and fair presentation of financial statements for the Scheme that comply with generally accepted accounting practice in New Zealand.

The Trustees' responsibilities arise from clause 6.6.1 of the Trust Deed of the Scheme.

The Trustees are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. The Trustees are also responsible for the publication of the financial statements, whether in printed or electronic form.

RESPONSIBILITIES OF THE AUDITOR

We are responsible for expressing an independent opinion on the financial statements and reporting that opinion to you based on our audit. Our responsibility arises from the Public Audit Act 2001.

INDEPENDENCE

When carrying out the audit, we followed the independence requirements of the Auditor-General, which incorporate the independence requirements of the External Reporting Board.

In addition to the audit we have carried out assignments in the areas of taxation compliance services, which are compatible with those independence requirements. Other than the audit and these assignments, we have no relationship with or interests in the Scheme.

i) Non-derivative financial instruments

A financial instrument is recognised if the Fund becomes a party to the contractual provisions of the instrument. Financial assets are derecognised if the Fund's contractual rights to the cash flows from the financial assets expire or if the Fund transfers the financial asset to another party without retaining control or substantially all risks and rewards of the asset.

Bank and Cash Equivalents

Bank and cash equivalents are measured at amortised cost using the effective interest rate and any accrued interest is recorded separately in the Balance Sheet.

Receivables

Trade and other receivables are measured at initial recognition at fair value, and are subsequently measured at amortised cost using the effective interest rate.

Financial Liabilities

Financial liabilities include Sundry Creditors and Outstanding Claims. Financial liabilities are recorded initially at fair value, net of transaction costs. Subsequent to initial recognition, liabilities are measured at amortised cost.

ii) **Offsetting Financial Instruments**

Financial assets and liabilities are not offset as there is no legally enforceable right to set-off.

iii) **Asset Quality**

Impairment of Financial Assets

Financial assets measured at amortised cost are reviewed at each balance date to determine whether there is any objective evidence of impairment. If any such condition exists, the asset's recoverable amount is estimated and provision is made for the difference between the carrying amount and the recoverable amount.

As at the date of these Financial Statements, no such evidence of impairment exists.

iv) **Fair Value and Carrying Amount of Financial Instruments**

The carrying amounts of all financial assets and liabilities are considered to be equivalent to their market value, which for these assets and liabilities is also considered to be fair value.

CHANGES IN ACCOUNTING POLICIES

There have been no changes in accounting policies during the year.

Note 2. Taxation

The income tax expense charged against the surplus for the year is the estimated liability in respect of that surplus and is calculated after an allowance for permanent differences. The liability method of accounting for deferred taxation is applied on a comprehensive basis. Future tax benefits attributable to tax losses or temporary timing differences are only recognised to the extent that it is probable that future taxable profit will be available against which the unrecognised temporary difference or unused tax losses can be utilised.

The Scheme has not recognised a deferred tax asset in respect of tax losses of \$7.1M (2015: \$6.4M) as at 30 June 2016. There is no unrecognised deferred tax asset in respect of timing differences at 30 June 2016 (2015: nil).

Note 3. Merger of funds

Prior to 30 June 2009 the Board decided that as all Fund 1 claims had been settled resulting in a small surplus and that Funds 2 – 4 had excess assets over liabilities and it was extremely unlikely to have claims settlements which would result in those excesses turning into deficits, it was appropriate that in exchange for the surplus within each of Funds 1 to 4, that Fund 5 (2001-02) accept any losses not recoverable by reinsurance on the operations of Funds 1 to 4 and that the surplus remaining in Funds 1 to 4 be applied by way of transfer to Fund 5 on or before 30 June 2009.

Note 4. Contingent liabilities and commitments

The Scheme from time to time receives notification of legal claims and disputes in relation to claim settlements as a commercial outcome of conducting its business. The Scheme defends all such claims.

Other than possible future liabilities in respect of claims which have not yet been notified, the Scheme had no contingent liabilities at 30 June 2016 (2015: Nil).

The Scheme had no capital or operating lease commitments at 30 June 2016 (2015: Nil).

Note 5. Reconciliation of Net (Deficit)/Surplus to Net Cash Flows from Operating Activities

Cash Flow Statement Accounting Policy:

The Cash Flow Statement is prepared on a GST exclusive basis which is consistent with the Statement of Financial Performance.

a) Cash is considered to be cash on hand and current accounts in banks, net of overdrafts, and short term bank deposits.

b) Investing activities are those relating to the acquisition, holding and disposal of investments.

c) Financing activities are those activities which result in changes in the size and composition of the capital structure of the Scheme.

d) Operating activities include all transactions and other events that are not investing or financing activities.

NEW ZEALAND MUTUAL LIABILITY RISKPOOL

Notes to the Financial Statements for the year ended 30 June 2016 *(continued)*

Note 6. Claims *(continued)*

Claims

Accounting Policy: All claims are provided for when notified and claims provisions are recognised at management's best estimate of future expected claims costs. The claims provision includes provision for future expected claims settlement, incurred but not reported claims, and incurred but not enough reported. It also includes expected future claims handling costs.

The claims provision is measured as the central estimate of expected future payments relating to claims incurred at the reporting date. The expected future payments include those in relation to claims incurred but not enough reported ("IBNER"). These claims are discounted in the financial statements at the average expected term to settlement.

Claims expense represents claim payments adjusted for movement in the claims provision. The estimation of the claims provision involves a number of key assumptions and is the most critical accounting estimate. Risk margins are held to allow for uncertainty surrounding the outstanding claims liability estimation process. Potential uncertainties include those relating to the actuarial models and assumptions, the quality of the underlying data used in the models, general statistical uncertainty and the general environment.

The risk margin is applied to the net central estimates in order to arrive at an overall net provision that is intended to provide a probability of sufficiency of 75%.

The Directors take all reasonable steps to ensure that they have appropriate information regarding claims exposures. External actuarial advice is sought and the use of other experts is used to assess open claims. However, given the uncertainty in establishing the liability, it is expected that the final outcome will be different from the original liability established. Changes in claims estimates impact profit and loss in the year in which the estimates are changed.

Central Estimate of Claims Provision

As at 30 June 2016 the central estimate of the claims provision was evaluated by Jeremy Holmes (Fellow of the NZ Society of Actuaries) of Melville Jessup Weaver in accordance with the requirements of NZ Society of Actuaries: *Professional Standards No. 4 General Insurance Business*. The actuaries are satisfied as to the nature, sufficiency and accuracy of data used in the calculation of the outstanding claims liability.

The estimation of the claims provision is based on a claim by claim stochastic methodology adjusted for the impact of individual claim excess, excess of loss reinsurance, stoploss reinsurance and member's aggregate claim limits. Key assumptions used are inflation and discount rates, finalisation pattern, zero/non-zero claim probabilities and claim severity.

The interest rates used for discounting were gross yields to redemption of NZ government debt of appropriate duration taken from the NZ Debt Management office website. The rates range from 2.21% to 2.93% with duration to payment of 0.25 to 19.75 years. The mean interest rate is 2.07% with a mean duration to payment of 1.51 years.

The estimation of the claims provision is subject to a level of uncertainty. For 'leaky building' claims, the estimation is subject to a greater degree of uncertainty due to the nature of the claims, which are variable in size and settle over a longer term. The claims provision is considered the Fund Manager's best estimate as at the date of the signed accounts, but should be viewed in respect of the uncertainties.

Areas of estimation uncertainties

Many assumptions were made in arriving at the estimated figure of the claims provision and related reinsurance receivables. The final outcome will depend on many variables including the percentage of WHRS (Weathertightness Home Resolution Service) registrations that will not proceed, the percentage that will involve private certifiers and will have no impact on Riskpool and the contribution applied to other parties.

The estimate takes into account all known relevant factors and draws on Riskpool's historical experience of these types of claims and external actuarial advice. The figure invariably will be subject to upwards or downwards adjustments in the future as claims are resolved.

Additional sources of uncertainty relating to leaky buildings include unpredictable court outcomes and political interventions. A trend towards a reduced number of defendants to leaky claims is leaving councils under joint and several liability and are therefore liable for higher costs. Claims are now highly dependent on a relatively small number of large claims and defendants often choosing to keep information confidential for as long as possible. Some potential claims may not yet be recognised and multi-unit claims are not separately identified.

Review of Assumptions

The normal review of assumptions in the year to 30 June 2016 includes interest discounting, finalisation patterns, zero/non-zero claim probabilities and case estimate credibility assumptions.

The most sensitive assumption is the case estimate credibility. If each of the case estimate credibility factors were decreased by 10% the baseline discounted 75% PoA outstanding claims net of reinsurance would increase by \$0.754M. Similarly a 10% increase would result in a \$0.551M decrease.

Note 7. Reinsurance

Reinsurance Recoveries Accounting Policy:

Reinsurance recoveries are provided for when the claims incurred exceed the reinsurance excess level. These debtors are stated at estimated realisable value.

Reinsurance is discounted in line with the discounting terms of the claims provision.

Individual excess of loss and stoploss reinsurance is organised on a Fund Year basis.

Included in the reinsurance recoveries is an amount following a commutation with Swiss Re of the first layer of reinsurance and a portion of the upper layers for fund years 3 to 10. There is reinsurance for the remainder of the higher layers. Each Fund entered into a reinsurance contract with the effect that the Funds had maximum claims paying exposure of: Fund 1 \$2M, Fund 2 \$2.5M, Funds 3, 4 & 5 \$3M, Fund 6 \$3.25M, Fund 7 \$3.5M, Funds 8 & 9 \$4M, Fund 10 \$6M, Fund 11 \$1.5M, Fund 12 \$1.625M, Fund 13 \$1M, Fund 14 \$0, Fund 15 \$1.35M and Funds 16 to 19 \$0. Refer to the commutation comment above. However Funds 7 to 9 do not have reinsurance cover for WHRS "leaky homes" claims and Funds 10 and thereafter do not have reinsurance cover for any "leaky homes" claims. All claims for Funds 14 and 16 to 19 are covered by reinsurance. There are 22 low risk members that were covered for WHRS and Non-WHRS claims for fund years 13 to 19, these risks being fully reinsured.

NEW ZEALAND MUTUAL LIABILITY RISKPOOL

Notes to the Financial Statements for the year ended 30 June 2016 (continued)

Note 8. Financial Instruments

Financial Assets and Liabilities

The carrying amounts of all financial assets and liabilities are considered to be equivalent to their market value, which for these assets and liabilities is also considered to be fair value. All fixed interest investments were managed around a 90 day duration and carry a minimum Standard and Poor's credit rating of "A1" or equivalent.

Carrying value of Financial Assets and Financial Liabilities

	2016	2015
	\$000	\$000
Financial Asset: Loans and Receivables		
Bank & Cash Equivalents	1,536	3,824
Sundry Debtors	54	81
Reinsurance Receivable	7,542	24,054
Total Loans and Receivables	9,132	27,959
Financial Liability: Amortised Cost		
Accounts Payable	195	174
Total Amortised Cost	195	174

Note 9. Subsequent Events

There have been no other material events after 30 June 2016 that requires adjustment to or disclosure in the financial statements.

Note 10. Going Concern

These financial statements have been prepared on a going concern basis.

For Funds 7, 9 to 15, and 18 to 19, while the total liabilities exceed total assets indicating a shortfall in equity, a going concern basis is appropriate because the Trustee is able to levy the members of the Funds to cover any shortfall in equity in any Fund under the terms of the Deed of Trust. In addition, the Scheme provides mutual protection from risk on a discretionary basis, insofar as the Trustee has the ability to not pay a claim if the Trustee determines that the individual Funds of the Scheme are not in a position to do so. The Trustee also has the ability, under certain circumstances, to merge several of the Funds thus reducing or eliminating any deficit.

SCHEME RULES

1. DEFINITIONS

In these Rules:

'Board' means the Board of Directors formed pursuant to clause 5 of the Deed of Trust;

'Coverage' is defined in Rule 8;

'Claim' means any claim made under the Protection Wording;

'Deed of Trust' means the deed dated the 1st day of July 1997 establishing the Scheme (as amended from time to time);

'Fund' means each separate annual fund established pursuant to clause 4 of the Deed of Trust; **'Fund Year'** has a corresponding meaning; the first Fund Year is from 4.00 pm on 30 June 1997 to 4.00 pm on 30 June 1998; subsequent Fund Years are from 4.00 pm on 30 June in a calendar year to 4.00 pm on 30 June in the next calendar year, unless otherwise determined by the Board;

'Fund Manager' means the Fund Manager appointed pursuant to clause 10 of the Deed of Trust;

'Member' means any person or body (whether incorporated or not) admitted as a member of the Scheme pursuant to clause 11.1 of the Deed of Trust and these Rules;

'Membership' has a corresponding meaning;

'Protection Wording' means, in relation to any particular Member and Fund Year, the combined liability protection wording issued to that Member by the Scheme setting out the risks covered by the Scheme and the terms, conditions

and limits in respect of those risks: this term equates to the term *'Guidelines'* in clause 8.1 of the Deed of Trust;

'Scheme' means the scheme more formally known as the New Zealand Mutual Liability Riskpool;

'Scheme Manager' means the Scheme Manager appointed pursuant to clause 9 of the Deed of Trust.

2. PURPOSE AND STATUS OF RULES

2.1 The purpose of these Rules is to set out the administrative mechanisms by which the Scheme is administered so as to put the purpose and intent of the Deed of Trust into effect.

2.2 In the case of conflict between the provisions of the three principal constituent documents of the Scheme, which are the Deed of Trust, these Rules and the Protection Wording, the Deed of Trust shall prevail over the Scheme's Rules which shall prevail over the Protection Wording.

3. OFFER OF MEMBERSHIP AND NOTICES

3.1 An offer of Membership may be made to any organisation or person approved for admission by the Board.

3.2 Membership of the Scheme is by Fund, so one Member may hold one or more Memberships.

3.3 An offer to become a Member of a Fund must include:

- A copy of the Protection Wording unless this has already been provided;

- A copy of the Deed of Trust unless this has already been provided;
- An up-to-date copy of these Rules unless this has already been provided; and
- An indication of the initial contribution payable for the new Fund Year as determined by the Board.

4. ACCEPTANCE OF MEMBERSHIP OFFER

A body becomes a Member of a Fund by:

- Notifying the Scheme Manager in writing that it has accepted the offer of Membership; and
- Paying the initial contribution for that Fund Year as determined by the Board within 20 days of the start of the Fund Year (or for such longer period as determined by the Board) failing which, unless otherwise determined by the Board, the offer of Membership lapses.

5. MEMBERSHIP OBLIGATIONS

5.1 By its acceptance of an offer of Membership a Member agrees that:

- The Deed of Trust and these Rules as amended from time to time constitute a contract between the Scheme and the Member subject to Rule 5.3;
- The Member will be bound by the Deed of Trust and these Rules as amended from time to time and perform the obligations of a Member under the same accordingly;

- c) The Member will make available to the Scheme Manager or Fund Manager all information and data which the Scheme Manager or Fund Manager reasonably requires in order to determine the claims and risk management experience of the Member for the purpose of assessing contributions;
- d) The Scheme Manager shall be permitted (but not obligated) to carry out a risk management audit or otherwise inspect the Member's property and operations at any time; and
- e) The Scheme Manager may examine and audit the Member's books and records at any time (but only so far as they relate to the Membership of the Scheme or risks covered by the Scheme).

5.2 For the avoidance of doubt, the contract the subject of Rule 5.1 (a) is a contract between a Member and the Scheme only and the contract does not create, as between a Member and any other Member or Members, any joint rights or obligations or any mutual rights or obligations.

5.3 To the extent, if any, to which a provision of these Rules or the Deed of Trust provides or implies:

- a) Anything in any way contrary to Rule 5.2; or
- b) That the Scheme is constituted a joint or mutual agent for its Members or any of them –

that provision is, to that extent, inoperative and does not form part of the legal relationship between a Member and the Scheme.

6. END OF MEMBERSHIP

- 6.1** Membership ends when and only when the Fund is closed.
- 6.2** The Board shall determine when a Fund and its accounts will be closed and final results for the Fund determined and declared.
- 6.3** Except in the event of the Scheme being wound up, no Member has any entitlement to be paid any amount on account of surplus for a Fund unless:
- a) The accounts for the Fund have been closed and final results determined and declared; and
 - b) The Board has determined that a distribution or return should be paid to Members in respect of that Fund.
- 6.4** In the event that a Member is entitled to a distribution of a Fund's surplus, any amount due will be set-off against:
- a) Any contribution or other monies due but unpaid by the Member to the Scheme; and
 - b) Any unrecovered loss or expense incurred by the Scheme by, through or in connection with the Member.

7. MEMBERS' CONTRIBUTIONS

- 7.1** Members' contributions are determined by the Board.
- 7.2** In the event that a Member fails to comply with the Deed of Trust, these Rules or a direction from the Board and in so doing, in the opinion of the Board, exposes the Scheme to an increased, additional or readily avoidable risk or financial loss (including loss of interest) or additional expense the Board may:

- a) Require the Member to top up its initial contribution to the relevant Fund to cover that increased, additional or readily avoidable risk; or
- b) Require the Member to pay an additional contribution for the relevant Fund to cover that loss or expense; or
- c) Exclude or limit that increased, additional or readily avoidable risk from the Member's Coverage.

8. COVERAGE (PAYMENT OF CLAIMS)

Subject always to the Deed of Trust and these Rules, the Scheme will indemnify each Member for damages or compensation in accordance with the Protection Wording. This is the definition of 'Coverage'. Coverage is only available once any other insurance has been fully utilised.

9. RECOURSE TO SCHEME ASSETS ONLY

For the payment of any Claim or the performance of any obligation of the Scheme, recourse may be had solely to the relevant Fund and no claim may be made or endorsed by a Member against:

- a) Any Trustee of the Scheme;
- b) Except in the case of negligence or other breach of duty, any employee or agent of the Scheme;
- c) Any other Fund; or
- d) Any person described in clauses 13.1.1 to 13.1.4 of the Deed of Trust.

10. REIMBURSABLE DEDUCTIBLE OR EXCESS

If the Scheme pays a deductible or excess amount referred to in a Protection Wording the Member shall reimburse the Scheme within 14 days of written notice from the Scheme.

11. NOTICE OF CLAIMS

Notice in writing must be given as soon as possible to the Scheme Manager by the Member:

- a) Of any occurrence, circumstance, claim, statement of claim, summons or proceedings or of any impending prosecution, inquest or inquiry, or knowledge of any occurrence or circumstances which may subsequently give rise to a Claim, irrespective of its quantum; and
- b) Of any change materially affecting or varying any of the facts or circumstances existing at the commencement of Membership that shall come to the knowledge of the Member. A Member's knowledge shall be deemed to include the knowledge of any person whose knowledge would at law be that of the Member.

12. ADMISSIONS NOT TO BE MADE

The Member shall not make any admission, offer, promise or give any indemnity in respect of a Claim or potential Claim or Claim circumstance or potential Claim circumstance without the written consent of the Board.

13. INFORMATION TO BE PROVIDED

The Member must provide to the Scheme Manager and any loss adjuster, solicitor or other agent appointed by the Scheme Manager with respect to a Claim or potential Claim all information requested by such party in the manner and format requested.

14. GRANT OR REFUSAL OF INDEMNITY

- 14.1** Subject to clause 8.2 of the Deed of Trust, the Board shall advise the Member as soon as practicable after receipt of a Claim as to whether the Scheme grants or refuses indemnity.
- 14.2** Without limiting the discretions of the Board under the Deed of Trust, the Scheme may choose not to indemnify the Member against any Claim or Claim circumstance and may withdraw any indemnity previously granted where the Member has:
 - a) Breached or failed to comply with a condition or obligation in the Protection Wording or under the Deed of Trust or these Rules or committed any other act or made any other omission which entitles the Board to reduce or cancel a Member's Coverage under Rule 21; and
 - b) The Scheme is prejudiced by that breach, failure, act or omission.

15. SUBROGATION

The Member agrees that in the event of payment of any Claim by the Scheme, the Scheme will be subrogated to all the rights of the Member against any person or other legal entity deemed responsible for the Claim, and in such event, the Member shall render to the Scheme Manager, loss adjuster, solicitor or other agent appointed by the Scheme Manager all assistance other than pecuniary, as is reasonably necessary to effect recovery.

16. SETTLEMENT OF CLAIMS

- 16.1** If the Scheme Manager so desires, it may take over the conduct in the name of the Member the defence or settlement of any claim against the Member.
- 16.2** On notifying a Claim or Claim circumstance, the Member shall promptly take at its own expense all reasonable steps to prevent other loss, personal injury or property damage arising out of the same or similar conditions, but such expense shall not be recoverable from the Scheme.
- 16.3** The Member shall use its best endeavours to preserve any damaged or defective property which might prove necessary or useful by way of evidence in connection with any Claim and except where some other course is required by Rule 16.2, but only so far as may reasonably be practical, the Member must not make any alteration or repair to any premises, machinery, fittings, appliances or plant without the consent of the Scheme until the Scheme has had an opportunity of inspection.

16.4 The Scheme has full discretion to conduct any proceedings in connection with any Claim.

16.5 The Scheme is entitled to prosecute in the name of the Member, at its own expense and for its own benefit, any claim for indemnity or damages or otherwise.

16.6 Notwithstanding Rules 16.1, 16.4 and 16.5, a Member shall not be required to contest any legal proceedings unless a solicitor (to be mutually agreed upon by the Member and the Scheme) advises that such proceeding should be contested, with the reasonable probability of success or partial success.

17. MEMBERS' LITIGATION RESPONSIBILITIES

In connection with any litigation or claim settlement negotiations conducted by the Scheme in the name of a Member, or any action taken by the Scheme in exercise of its rights of subrogation:

- a) if a personal appearance by an elected member, officer or agent of the Member is necessary at any conference, in any Court or elsewhere, the expense of such an appearance shall be borne or paid by the Member;
- b) The Member shall fully co-operate by supplying any information and assistance requested by the Scheme Manager and any loss adjuster, solicitor or other agent appointed by the Scheme Manager or the Scheme with respect to the litigation claim;

- c) The Member may, upon notice in writing, prevent a settlement proposed by the Scheme of litigation or a claim brought or made against the Member, but if it does so and the claim is ultimately settled (or judgement is ultimately given) for a higher amount, then notwithstanding Rule 8, the Member must pay as estimated by the Board all amounts (including interest and legal costs) which exceed the amounts that the Scheme would have had to pay if the claim had been settled as proposed by the Scheme.

18. AUTOMATIC REINSTATEMENT

Upon notification to the Scheme of a Claim, cover under the Protection Wording shall be reinstated for such amount as may be ultimately paid by the Scheme in respect of such Claim up to the limit, if any, imposed by the Protection Wording.

19. CONTRIBUTION FROM OTHER INSURERS

When a loss paid is recoverable under an insurance policy, then the Scheme reserves its rights to seek full recovery from the insurer.

20. NOTICE TO SHOW CAUSE WHY ALL OR SOME COVERAGE SHOULD NOT BE CANCELLED

In the event that a Member (in this Rule referred to as the 'Defaulting Member'):

- a) Fails to comply with the reasonable directions of the Scheme as to the conduct of its operations so as to minimise risks;
- b) Fails to make available to the Scheme Manager or Fund Manager all information and data which either of them reasonably require in order to determine the claim and risk management experience of the Member for the purpose of assessing contributions;
- c) Fails to permit the Scheme Manager to carry out a risk management audit or otherwise inspect the Member's property and operations;
- d) Fails to permit the Scheme Manager to examine and audit the Member's books and records (but only so far as they relate to its Membership(s) of the Scheme or risks covered by the Scheme);
- e) Fails to pay contributions due to the Scheme within the time prescribed by these Rules or by the Board;
- f) Commits any other breach of these Rules which is not remedied within the time specified in a notice to the Defaulting Member - then in that regard the Board may by notice in writing to the Defaulting Member require that it show to the Scheme good cause within 14 days why all or some of its Coverage should not be cancelled.

21. REDUCTION OR CANCELLATION OF COVERAGE

- 21.1** The Board may, by special resolution, cancel or reduce Coverage for a Member by giving that Member notice in writing to that effect where the Member:
- a) Fails to comply with the duty of utmost good faith;
 - b) Fails to comply with the duty of disclosure;
 - c) Has made any fraudulent claim to the Scheme or under any contract of insurance; or
 - d) Fails to show sufficient cause to the contrary in response to a notice issued pursuant to Rule 20.
- 21.2** A notice of reduction or cancellation of Coverage takes effect at whichever occurs first between
- a) The time when a policy of insurance between the Member and an insurer, being a policy of insurance that is intended by the Member to replace all or a good proportion of the cancelled Coverage is entered into; and
 - b) At 4.00 pm on the 30th day after the day on which notice was given to the Member (or such later time as specified in the notice).
- 21.3** Cancellation or reduction of Coverage does not vary or waive the obligations of a Member to comply with the Deed of Trust and the provisions of these Rules.

22. REASONABLE CARE BY MEMBERS

Members shall:

- a) Exercise reasonable care that only competent employees are employed;
- b) Take reasonable measures to maintain all premises, fittings and plant in a safe and sound condition;
- c) Take all reasonable precautions to prevent loss or damage to property and personal injury;
- d) Take all reasonable precautions to prevent the manufacture, sale or supply of defective products;
- e) Take all reasonable precautions to prevent the release, issue, tender or supply of defective or erroneous advice or information;
- f) Comply and ensure that its employees, servants and agents comply with all statutory obligations, by-laws or regulations imposed on or by any local authority and
- g) At their own expense take all reasonable action to trace, recall or modify any item, document, information, advice or product manufactured, constructed, erected, installed, altered, repaired, serviced, treated, sold, supplied, distributed, prepared, provided, issued or tendered by the Member (including any container thereof other than a vehicle) containing any defect, error or deficiency of which the Member has knowledge or has reason to suspect.

23. SCHEME DOES NOT WARRANT RISK LEVELS

Each Member acknowledges that neither the Scheme's rights to make inspections nor the making thereof nor any report thereon constitutes an agreement or the assumption of an obligation, on behalf of or for the benefit of the Member or others, to determine or warrant that such property or operations are safe or represent any particular level of risk to liability.

NEW ZEALAND LOCAL GOVERNMENT INSURANCE CORPORATION LIMITED at Wellington ("LGIC")

BACKGROUND

- B. Trustee Company is a company incorporated under the Companies Act 1993 and is a wholly owned subsidiary of LGIC.
- C. LGIC, in consultation with Jardine, has agreed to establish a Trust pursuant to this deed to provide the Fund and the Scheme (to be known as the New Zealand Mutual Liability Riskpool) for the benefit of the Members of the Scheme and to manage all Claims for Civil Liabilities against the Members of the Scheme which may arise in connection with the exercise by the Members of any of their powers, duties or functions.
- D. The purpose for establishing this Trust in consultation with Members is to benefit residents and ratepayers of New Zealand and in particular that purpose is to be achieved by enabling Members to be recompensed from the Fund in respect of liabilities thus reducing the need for insurance cover and reducing Members' annual expenses. In addition the Scheme Manager will work with Members to ensure that proper systems are developed to promote the efficient and safe fulfilment of each Member's functions thus providing a benefit to the community as a whole.
- E. LGIC has agreed to hold all the shares in Trustee Company on trust for the Members of the Scheme pursuant to this deed.
- F. Trustee Company has agreed to act as Trustee of the Scheme and to hold and apply the Fund in accordance with this deed and the other Scheme Documents so as to provide the benefits intended to be obtained by Members of the Scheme as envisaged by this deed and the other Scheme Documents.
